DEER VALLEY ACADEMY

MITIGATION PLAN

 The health of our students, staff and families is our priority. As we offer on-site learning spaces for students who need a safe space to participate in their remote learning classes, Deer Valley Academy will implement the health and safety guidelines below. All students, staff, families and visitors are expected to follow these protocols while on campus.

Prevention

- Students and staff are required to respond to a brief set of questions focused on identifying known COVID-19 symptoms and/or receive a temperature check upon entering campus. Any student with responses coinciding with COVID-19 symptoms will remain in an isolated area. Any student that is sick or not feeling well is asked to stay home. Visitors on campus will be limited.
- Students, staff, families and visitors are required to wear a cloth facemask at all times. Students are required to bring their own facemask; one will be provided if needed. Facemasks may be removed while eating or drinking.
- Students, staff, families and visitors are required to practice 6-foot social distancing. Seating and common areas, hallways and other foot traffic areas will be marked to honor 6-foot social distancing.
- The campus will be cleaned following CDC guidelines. High touch areas such as door handles, light switches and the drinking fountain, will be cleaned frequently. Paper towels, cleaners and hand sanitizers will be placed in high traffic areas. HVAC systems will be maintained for proper airflow and circulation. Frequent hand washing will be encouraged at regular intervals. Staff will follow CDC guidelines when exchanging items with students. The drinking fountain will be available for refilling water bottles only.
- Students are asked to regularly clean their laptops. Never spray liquids directly onto the laptop, instead spray cleaner onto a cloth and use the cloth to wipe the computer.

Response

In the event a student or staff member contracts COVID-19, Deer Valley Academy will follow CDC and Arizona Department of Health Services.
